Re: FY15 Maintenance Contract Renewal Authorization

Information Technology is requesting Commissioner Court to authorize the renewal of the current maintenance contract with the Collin County Community College for access to 16 fiber optic strands. The FY15 renewal cost for the maintenance is approximately \$42,200. The maintenance cost is comprised of the following two components:

- \$16,000 access fee to the college fiber network
- \$26,200 fee for ½ the cost of the college's fiber maintenance contract

This line item is currently included as part of the regular FY15 maintenance request.
